MANILA OCEAN PARK OCEANARIUM

The Manila Ocean Park Management has been implementing the Love for Marine Life Comprehensive School Program. This is their way of advocacy program on awareness, proper care and education of marine flora and fauna of our country.

They provide venues for elementary and high school children to learn more about the diverse creatures under the sea and they provide avenue for them to understand their part in taking care of the marine life.

Manila Ocean Park highlighted their core attraction:

- a. The Oceanarium that has a walk through underwater tunnel. They also have a large collection of over 20,000 fish and invertebrates brought close for viewing for the Filipino family especially the school children.
- b. Augmented Reality: Latest technology when it comes to virtual reality experience
- c. Sea lion and ray encounters, world of creepy crawlies, barnyard, birdhouse feeding, neon cars and many more.
