First, my warmest felicitations to the graduates especially the First batch of Senior High School Graduates of this institution. After the so many buzzing and bashing, here we are now celebrating our maiden success of the K to 12 Program, your **GRADUATION!**

Graduates, it is my firm belief that your Alma Mater, _____ prepared and equipped you with the necessary lifelong learning skills that will serve as your armor and shield in conquering the challenges of the ASEAN Integration and that of the globalization. Yes, I am confident that you have the proper **A**ttitude, the relevant **S**kills and the necessary **K**nowledge imparted to you by your beloved school and that will make you confident to face higher education or the world of work.

Now, in a moment of solitude, WHISPER your thanksgiving to your loved ones, to your friends and other sources of inspiration and SHOUT your thanks to the Lord for His guidance leading you to be a part of this historic event in your life and in our educational system.

Finally, let me extend my congratulations to the parents/guardians, school administration, faculty and staff and to other education stakeholders for embracing the change in our education system and continuously partnering with us towards providing "Edukasyong Tapat at Sapat Dapat Para sa Lahat."

Once again, Congratulations and Mabuhay!!!
