"Improving Food and Nutrition Security in the Philippines through school interventions"

9 March 2018

#2704

DIOSDADO M. SAN ANTONIO
Regional Director
Department of Education-Region 4 A

Dear Director San Antonio:

Greetings from the International Institute of Rural Reconstruction!

In 2012 to 2015, IIRR in collaboration with DepEd Division of Cavite and FNRI-DOST implemented an action research project to strengthen the school nutrition program. The integrated school nutrition model that links school gardens, supplementary feeding and nutrition education (GarNESupp) was developed as an approach to address malnutrition among school children. A follow through 28-month action research project was launched in February 2016 that aims to fine tune and scale up the model in Philippines school system through a multi scalar approach and use schools as platform for nutrition and environmental learning and sharing. Fine tuning of the model includes the implementation of a 200-day feeding program to identify the value of additional 80 days. The scaling up relies largely on the 58 lighthouse schools (LS) established in Region IVA. LS are learning sites for other schools, action research sites and source of planting materials.

To date, the project reached the phase where it generated data and information useful to DepEd program planners and implementers. Thus, we are organizing an important event to share results, recommendations and key outputs to stakeholders. In this context, **may we invite you and division level administrators and program planners from the 20 Schools Division Offices of CALABARZON (please see table 1).** We would also like to take this opportunity to recognize the 58 lighthouse schools, **thus, we are also inviting 58 the school principals to be with us during the conference (please see table 2).** The conference will be held on **March 27, 2018, 8:00 AM-12 NN, at IIRR Y.C James Yen Center in Silang, Cavite.** Attached herewith is the program of activities for your reference.

For inquiries or clarification, you may directly contact Ms. Kirstein D. Itliong, research assistant at +63 916 664 9163 or kirstein.itliong@iirr.org.

We are looking forward to having you in this event. Your confirmation on or before March 16, 2018 will be highly appreciated. Thank you so much!

Sincerely,

Emilita Monville Oro, R.N., MPH
Country Director, Philippine Program
International Institute of Rural Reconstruction
