Dear Dr. Baltista:

The U.P. Law Center Institute of Human Rights and ReproCen, Social Medicine Unit, U.P. Manila will be holding an activity entitled *"Promoting the Human Right to Reproductive Health: Training Seminar for Public School Teachers and Guidance Counselors"* that will serve as a means of engaging faculty members, school administrators and guidance counselors in an in-depth discussion of reproductive rights and health issues. This will be on **March 19 (Friday) and 26 (Friday), 2018, 8:00am to 5:00pm** at First Floor Lecture Hall, Bocobo Hall, U.P. Law Center, Diliman, Quezon City.

It is our goal to encourage the research and training on reproductive health as a human right thus this seminar-training will involve the disciplines of law, medicine, social sciences, and education geared towards integrating the perspectives of ethics, gender, and human rights.

We hope the Department of Education - Antipolo City Schools Division Office will allow faculty members which, with your kind permission, would include guidance counselors, health or science teachers and the school principals or assistant principals from various public schools in Manila to participate in the sessions. We request a total number of 70 to 80 teachers, guidance counselors, and school administrators to join us in each forum date. There is no registration fee involved and the UP IHR and ReproCen will jointly cover their session materials, lunch, and snacks.

We hope to receive a favorable response from you. Please let us know if you will be sending participants to both dates or either one of the schedules. You may contact us through e-mail at ihrc.claw@gmail.com or call us at (02) 925-5854 or (02) 920-5514 locals 205 and 227 for confirmation and any other inquiries.

Thank you for your time and kind consideration.

Truly yours,

ELIZABETH AQUILING-PANGALANGAN
Director
