Dear Dr. Bautista,

Warm greetings!

SM Cares, a division of SM Foundation Inc., is an umbrella group that handles the corporate social responsibility programs of SM Prime Holdings, Inc. It was launched in 2004 with programs on Persons with Disabilities, Children and Youth Development, Women and Breastfeeding Mothers, Senior Citizens, Overseas Filipino Workers and Environment and Sustainability. As a responsible mall developer, SM ensures that its CSR programs serve as a catalyst for positive change for the community it serves.

We have relaunched our project called the SM Green Film Festival (GFF) that will involve the youth and the environment. SM Cinemas theatres nationwide will show environmentally-themed films and documentaries for grade school and high school students from June to October 2018, 8:30 AM to 10:30 AM. The said screening will be conducted for FREE as one of our CSR efforts, to promote awareness for disaster risk reduction, climate change and the protection of our planet. There will also be other scheduled screenings to be shown on a quarterly basis. The goal for this year is to reach 200,000 students to enable us to reach the 1M youth target.

In line with the GFF, we would like to humbly request for your endorsement to allow us to invite Schools under your supervision to join us here at SM City Masinag during the run of Green Film Festival.

We will be in touch with your office but for any clarifications, you may call the undersigned at 6551788. Thank you very much and we hope for a favorable response at the soonest.

Sincerely,
