Dear **Director San Antonio**:

Greetings!

This is to inform you that the undersigned has been designated as the Regional Director for DARRO CALABARZON, vice Dir. Luis B. Buena, Jr., effective April 11, 2018.

The movement of DAR Field Officials is one of the strategies employed by the present management to ensure that our commitments to serve our clients and meet our mandate and targets are attained while at the same time develop further their capabilities and competencies as Regional Director.

We look forward to working closely with you as one of our partners/stakeholders in rural development, particularly of the CALABARZON. I sincerely hope that I could meet the standards set by my precedent and together we could set the bar higher in the joint implementation of programs and projects and develop new ones.

Very truly yours,
