Dr. Rommel C. Bautista, CESO V
Office of the Schools Division Superintendent
Antipolo City

The Technological Institute of the Philippines (T.I.P.) is a 56-year-old private tertiary school with branches in Manila and Quezon City. T.I.P. specializes in Engineering courses but also offers courses in Architecture, Business, Information Technology, BS Education, Maritime Education, Mathematics and Arts.

T.I.P. is ISO 9001:2008 certified for the provision of all its academic offerings, and has 10 programs in Manila and 12 programs in QC, accredited under the PACUCOA. Majority of which, are level 3 and level 4 accredited.

In 2013, T.I.P. obtained accreditation of 20 of its Engineering and Computing programs from the US-Based ABET, the **Global Gold Standard in Engineering and Computing Education Accreditation**. ABET accreditation demonstrates T.I.P.'s programs' commitment to providing students quality education.

In a recent development in our educational system, the Department of Education (DepEd) has mandated the full implementation of Senior High School program (Grade 11 and 12) starting SY 2016-2017. With this, T.I.P. would like to announce its offering of the **ACADEMIC TRACK**, in the following strands:

1. Accounting, Business, Management (ABM) strand;
2. Humanities and Social Sciences (HUMSS) strand;
3. Science, Technology, Engineering and Mathematics (STEM) strand; and the
4. Pre-Baccalaureate Maritime Strand (PBMS)

As part of its extension services, T.I.P. will conduct Career Talks at high schools. In these Career Talks, T.I.P. student's representatives will guide your students Grade 10 Completers and your High School graduating under the K-12 Program about selecting a strand aligned with their career preference, as they go for college and their career options after graduating from College. May we therefore offer to conduct career talks for your 2019 Grade 10 Completers and Senior High School graduating students at the date and time most convenient for you?

You may fax this letter back to us with the completed Response Box through fax no. 911-7199 or simply call us at telephone no. 911-71-99 and 911-09-64 loc 305. Kindly ask for Ms. Angel J. Perez.

Thank you and we look forward to hearing from you soonest.

Truly yours,
