SUBJECT: Submission of Masterlist of Dengvaxia Vaccine Recipients

Date: July 20, 2018

The Department of Health (DOH) CALABARZON 4A will be conducting a Profiling with Physical and Laboratory Examination of Dengvaxia Vaccine recipients initiated in 2015, who are now expected to be in Grade 7, with the aim of establishing baseline data, monitor the health status and generate interventions and recommendations. A short bench teaching (orientation on the Dengue Program and on this activity) will be conducted prior to the activity.

In preparation to this initiative, DOH4A requests the masterlist from the schools by filling out the attached matrix. It is a must to look for the Dengvaxia Immunization Cards of the students for verification before including them on the masterlist.

The schools are to email the masterlist at arline.dulin@deped.gov.ph before July 31, 2018 for consolidation and submission to the DOH Provincial counterpart.

Immediate dissemination and compliance of this Memorandum is earnestly desired.
