**Dr. Rommel C. Bautista**  
School Division Superintendent

Dear Dr. Bautista,

Greetings!

In behalf of MAHMCI Dept. Of Pediatrics, we would like to invite High School teachers and PTA members under your jurisdiction to a talk on Depression among Teens. This will be held on August 21, 2018, at the 3<sup>rd</sup> floor conference room of Metro Antipolo Hospital along Marcos Highway at 9:30AM. *See*

Our lecture will be given by Dr. Josefino Regalado, member of PPS-PSCAP Task Force on Mental Health and former Director of Cardinal Santos Medical Center. He will focus on the topic on how to detect depression among students.

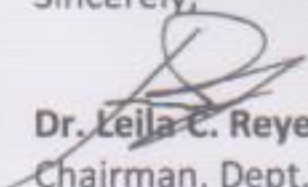

We as part of this community, would like to partner with you in addressing this growing problem among our youth. This valuable tool we would like to share will equip you to recognize signs pointing to depression, since you are with these children in the majority of their daily routine.

We look forward to seeing you on the said date with your HS teachers and PTA members. Please let us know of your concerns, as well as the number and names of attendees from your school, by calling 722-3208 loc.6002 and ask for Ms. Mary Delos Santos or Mr. Mac Bacani.

One with you in taking care of our youth.

*\* AUG. 24 2 PM ON WARD 1*

Sincerely,

  
**Dr. Leila C. Reyes**  
Chairman, Dept. Of Pediatrics  
MAHMCI
