Subject: Bookkeeping NCIII Assessment
for ABM Students

Dear Dr. Bautista:

Michigan English Assessments Inc. is an assessment center for Bookkeeping NC III accredited by TESDA with Accreditation Number: AC-BKP0304581820139.

We would like to offer assessment service for your Grade 12 ABM Senior High students in Bookkeeping NC III.

The advantages that will be obtained by students when they get TESDA-Certified are:

1. They will have a third party evidence of their competence in bookkeeping;
2. The credibility and integrity of the third party certification is of the highest degree it being issued by the government (TESDA);
3. If for some reasons they need to work after high school, the certification guarantees that they are competent to perform the bookkeeping job;

Likewise, apart from the National Certificate, we will provide Individual Performance Report and Group Performance Report. These documents will give you the following information:

Individual Performance Report

Individual Performance Report will give an analysis of the student's performance in the test. He will know which part of the test he scores high and where he scores low.

Group Performance Summary Report

Group Performance Summary Report is for the use of your school. It will provide the following information:

1. how many are competent, how many are not yet competent; frequency distribution, high, average, low;

TESDA-Accredited Assessment Center for

Accr.No. TMC-12131201000252
- Bookkeeping NC III
Accr.No. AC-BKPO304581820139

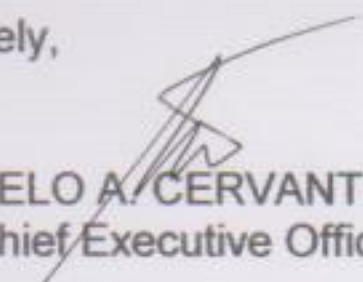

TESDA-approved programs:
Contact Center Services NCII; Trainers
Methodology I

2. Which aspects of the test where students obtain high score, average score, low score?
3. From the above-mentioned data, you may determine the extent of alignment between your curriculum contents and the third party assessment, and plan for interventions. Further, this data will truly reflect the competence of your students since our carefully chosen TESDA-accredited assessors are not in any way involved in the training conducted by your teachers. This is the distinct advantage of third party assessment.

For our services that include the above-enumerated reports and the national certificate in Bookkeeping NC III, our fee is Seven Hundred Pesos (Php 700.00) per student.

We will be pleased to discuss with you the details of this proposal.

Sincerely,

HERMELO A. CERVANTES, Ph.D.
Chief Executive Officer
