Dear Dr. Bautista:

Greetings!

With the objective of uplifting the health and welfare of every Antipoleño, the City Government of Antipolo will launch its project "Libreng Choco Milk para sa Antipolo Kinder" from August 24 to September 3. Please see attached schedule of ceremonial distribution in respective schools and the number of recipients.

In collaboration with the City Social Welfare and Development Office (CSWD), Public Information Office (PIO) and City Health Office (CHO), this program aims to distribute 4pcs. of free supplementary health drinks to all our kindergarten students to promote proper nutrition.

To ensure the success of this program, we are requesting for your assistance for the following concerns:

- Participation of GPTA officers, parents/guardians, and kindergarten students in the ceremonial distribution in their school.
- A welcome remark from the school principal for the short program we prepared. Attached is a briefer for reference.
- Chairs and venue, preferably a covered court.

Our staff from PIO will coordinate with your office regarding the above-mentioned concerns. For other questions and inquiries, you may contact our office at 689-4504/689-4532 and look for Enrilito Bernardo Jr. or Lloyd Libutan.

We hope that this request would merit your approval.

Thank you very much.

Very truly yours,

ATTY. HENRY R. ROSANTINA
Executive Assistant V/ Acting City Administrator
