RED CROSS DONATION CANS

The Philippine Red Cross, Rizal Province Branch of Rizal Chapter provides assistance to families affected by fire, typhoon and other disasters; provides life – sustaining blood and conducts first-aid and basic life support trainings to the communities within the Province of Rizal and City of Antipolo.

Dependent on public and private support, the PRC Rizal Chapter organizes various activities to raise funds to finance their services. Relative to this, Red Cross Donation Cans will be stationed in both public and private schools in the area of Antipolo to extend assistance to the less fortunate. With the support, we are bringing the Red Cross services closer and readily available to those who are in need.
