DR. ROMMEL C. BAUTISTA, CESO V
Schools Division Superintendent
Division of City Schools – Antipolo City

The Technological Institute of the Philippines is committed to promote information and Communication Technology (ICT) proficiencies among high school students of Antipolo City. The T.I.P. – QC, through its Extension Services Program, Admissions and Marketing Office and Computer Engineering Department, plans to conduct a training workshop on Robotics, which will be held on Saturday, September 22, 2018.

In this regard, we are inviting thirty (30) students who are interested to join from the High Schools of the Division of Antipolo. The actual training will last for eight (8) hours. The Training will start at 8AM and will finish at 5PM. Certificates of Participation will be given to all the participants after the training. T.I.P. will also provide lunch for the participants and the accompanying teachers.

We are looking forward to be of service to your high school students.
