FROM :  **DR. ROMMEL C. BAUTISTA, CESO V**
Schools Division Superintendent

SUBJECT : **DIVISION TRACKING OF CAMPUS JOURNALISTS**

DATE : September 4, 2018

One of the measures in the effectiveness of school/division programs is to see how learners apply and progress in their chosen field as a result of the competencies/skills that they gained while in school.

Journalism is one of the special interests or offerings that we give to the learners. DepEd Antipolo continuously improves in terms of its performance and achievements in this field of endeavor. To measure its effectiveness, this office wishes to track the campus journalists that we have developed and how they placed themselves in the related field of work.

Present and previous school paper advisers together with the supervision of the school heads are tasked to complete the template attached in order to capture the data needed.

Said template should be submitted to the CID Office, attention to **MRS. CRISTINA C. SALAZAR**, EPS I - English/Division Journalism Focal Person on or before the 31st of September, 2018. Likewise schools that have no campus journalists who pursued communication (broadcasting) or journalism career are requested to inform the office in case there is none.

Dissemination and compliance to this memorandum is expected.
