Dear Dr. Bautista,

My name is Tess Pazziuagan-Perkins, the mother of the Perkins Twins (Jesse and Christian). My boys, the Perkins Twins are DepED Youth Ambassadors; lobbying against vices with other advocacies that promote values to the youth. The twins advocate against drugs, bullying, alcohol, smoking and they advocate purity. They are also international recording artists, working with Universal Records and Star Records. They use their music as a platform to inspire and spread good morals.

The Perkins Twins work hand-in-hand with DepED Central to celebrate major events and work with Regional DepED and Divisional offices across the nation. They have gone to numerous public and private schools/universities nationwide (St Paul University, Assumption, University of Batangas, Lyceum, STI, PUP, Notre Dame etc.) The twins have visited and performed at over 500 schools nationwide. The performances and advocacies are always an overwhelming success! We are hoping that they can also do the same for your schools - ALL FOR FREE!!! :)

Furthermore we are working on an advocacy and inspirational movie project starring the Perkins Twins alongside Hollywood actor Stephen Baldwin, and local stars Tirso Cruz, Cesar Montano, Jean Garcia, Boots Anson-Roa and Mayor Lani Mercado to name a few. This film is endorsed by the Dangerous Drugs Board and the Philippine National Police, and supported by President Duterte whom we met with recently. More agency agreements are being worked on. The twins are currently on their nationwide campus and mall tour for the 2018-2019 School year to promote the advocacies. We are hoping for your support for the Perkins Twins and their advocacies. They will be in your area and we are wondering if there can be a time for the twins to visit your schools.

The program, set up, and preparation is very minimal - The Perkins Twins sing two (2) songs for the students - In-between songs they promote their advocacies. Their performances typically take 15-20 minutes only and are done throughout the day. We even provide our own sound system. All the schools need to do is provide the following;

1. Venue – if possible a covered court/gym/oval/grandstand/sports complex (Whatever venue can occupy the whole school or most number of students possible);
2. ALL STUDENTS (Or as many as possible that can fit in the largest area)

Again, this is all for FREE!!!

While in your area, the twins would like to work with you to arrange school visits - We're asking and hoping that you will endorse the Perkins Twins and assist in arranging the school visits.

The Perkins Twins are President Bush and President Obama awardees. They were featured as the youngest Fil-Am difference makers on ABS TFC Filipino Champions, and GMA Power Ng Pinoy. They were born in the Philippines and raised in California before returning three (3) years ago to open their Tennis Academy at the Edsa Shangri-La; to open a coffee shop with my husband and me; and to launch their singing careers. In addition to their campus and mall tour, they regularly speak at church youth groups. Both boys received full scholarships for athletics and academics to the University of California at Berkeley. Neither of the twins ever took drugs, smoked nor had girlfriends since birth. We have a strong faith.

The Perkins Twins have an album under Universal Records called Can't Stop. Their first album, Para Lang Sayo was comprised of original songs by VehneeSaturno. They have appeared on ABS-CBN, GMA and CNN.

Looking forward to a favorable response and also to meet you soon!

God bless you and your team.
Sincerely,

Tess Perkins and the Perkins Family
