Subject: REQUEST LETTER

Dear Mayor:

Warmest greetings from IYF!

The IYF (**International Youth Fellowship**) is a registered non-profit pan-global organization headquartered in over 90 different countries, which acts as a gateway to special opportunities for responsible individuals in leadership development, overseas volunteerism, and international exchange. IYF believes that youths of today should be molded, guided and developed to enhance their capacity to lead oneself, other individuals, groups and organizations. IYF crafted its activities and trainings to cultivate and practice student leaders: leaders who possess the mental and physical ability and the moral and ethical integrity expected of a genuine leader.

One of the programs of IYF is the **Tomorrow Global Leaders Camp (TGLC)** that brings youth – the leaders of today and tomorrow – to communicate and share their minds. TGLC is a leadership academy and network for the youth who dream of becoming a future leader.

It is our great privilege to hold this **Tomorrow Global Leaders Camp** for the first time here in your beloved country, Philippines on **October 23(Tue.) to 26(Fri.), 2018 at IYF Philippine Main Center**. In line with this, **we would like invite all the Sangguniang Kabataan (SK), student leaders and all youth leaders in your city to participate in the said event**. We are very grateful that through having TGLC you can help us spark motivation in young people to pursue avenues in leadership. Attached herewith the program and overview of our TGLC.

Should you have further queries, your good office can reach at the numbers cited above and look for Ms. Jen Constantino. We will also directly communicate with your office regarding this matter.

We hope that these requests merit your most favorable consideration.

Thank you very much!

Respectfully Yours,

Nam Kyung Hyun
President
