Dear Dr. San Antonio,

Greetings of Peace!

In light of our continuing efforts towards excellence in education, De La Salle Santiago Zobel School is organizing another **SparkEd Seminar-Workshop on Next Generation Blended Learning** for basic education learning leaders. The theme for this year is "Sparking Creativity Thru Technology". This will be held in our campus on October 25 and 26, 2018.

In connection with this, may we request your good office to endorse this conference to all the public and private schools under your jurisdiction? We have attached herewith the draft of the invitation letter addressed to the school heads to be signed by you, inviting the following key persons from their institutions:

1. Principal
2. Computer Technology or Education Technology Coordinator
3. Teachers and Academic Personnel
4. Information Communication Technology Head

This year, we will be focusing on how technology can bring out the creativity of both the teachers and the students in order to make their learning environments more active, collaborative, constructive, authentic and goal-directed. We will highlight how blended learning can be integrated not only in academic subjects but also in special subjects like Music, PE, Arts, Technology and Livelihood Education, and a whole lot more.

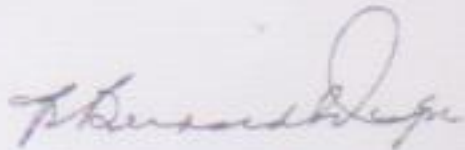

Additionally, the seminar-workshop will have two sessions: Basic Session for first-time attendees where teachers are to create sample draft of implementing Blended Learning models in their subjects areas; and Advanced Session for previous attendees where teachers will be making sample assessment tools using some apps, research outlines and sample designs using the apps to be given by the respective break-out session facilitators.

To cover the expenses for meals (exclusive of breakfast and dinner) and conference materials during those two days, we plan to charge a conference fee of Php3,000.00 per participant from the public schools. For the private schools, we will be charge Php3,000.00 per participant for early bird registrants (registered from Sept. 1 to October 5, 2018); Php4,000.00 for regular participants (registered from October 6 to October 24, 2018) and Php4,500.00 for walk-in participants.

As we continue to work for the realization of our educational mission, may the blessings of the Holy Spirit and the guidance of our founder, St. John Baptist De La Salle, be our source of inspiration and strength in this noble vocation.

Thank you and we look forward to your favourable response and avid support.

Yours in St. La Salle,

Br. Bernard Oca FSC
President
