

**ADVISORY NO. 152, S. 2018**

In compliance with DepEd Order No. 8, s. 2013

This Advisory is issued not for endorsement per DO 28 s. 2001,  
but only for the information of DepEd Office,  
Public and Private Elementary and Secondary Schools  
October 15, 2018

**REGIONAL SCIENCE AND TECHNOLOGY WEEK**

The Department of Science and Technology – CALABARZON will be celebrating its Regional Science and Technology Week (RSTW) on November 12 – 14 at Lucena, Quezon and Antipolo, Rizal with the theme: "Innovation for a Collective Prosperity".

This event aims to showcase the extent of Science, Technology and Innovation (STI) programs and services given to our community-based partners, MSMEs, and countryside in general through exhibits and fora.

The celebration will also highlight the inauguration of their two newly-built Provincial S&T Centers and Service Laboratories located at Quezon and Rizal.

In line with this, they encourage the elementary to senior high school students and teachers to visit their exhibits in the RSTW on the above mentioned dates located at Quezon Convention Center, Lucena, Quezon. This event is free of charge and is open to the public.

Interested schools may coordinate with Ms. Rochelle Cruz, DOST staff for further inquiries or concerns. The letter of invitation is attached for your reference.

Likewise, interested attendees may submit their names to this office on or before October 30, 2018 for the Travel Authority:

Attention: **MRS. DOLORES J. AGONG**  
EPS - Science

Participation of both public and private schools shall be subject to the NO-DISRUPTION OF CLASSES POLICY stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

For the information of the field.

**DR. DIOSDADO M. SAN ANTONIO**  
 Regional Director  
 Department of Education IV-A  
 Gate 2, Karangalan Village,  
 Calamba, Rizal

Dear Dr. San Antonio:

The Department of Science and Technology – CALABARZON (DOST-CALABARZON) will be celebrating its **Regional Science and Technology Week (RSTW)** on **November 12 – 14** at **Lucena, Quezon** and **Antipolo, Rizal**.

With a theme of "Innovation for a Collective Prosperity", this event aims to showcase the extent of Science, Technology and Innovation (STI) programs and services given to our community-based partners, MSMEs, and countryside in general through exhibits and fora. More than 20 exhibitors from different DOST attached agencies, private organizations, academe, and MSMEs will display their technologies and products showing how STI can be seen in home, school, and workplace.

This celebration will also highlight the inauguration of our two newly-built Provincial S&T Centers and Service Laboratories: Center for Hazard and Environmental Resource Mapping (CHERM) and Regional Design and Creativity Hub for Innovation in MSMEs and Education (ROCHIME) located at Quezon and Rizal.

In line with this, we would like to **request for a Regional Memorandum / Advisory to encourage the elementary to senior high school students and teachers to visit the exhibits in the RSTW** on the said dates located at **Quezon Convention Center, Lucena, Quezon**. This event is free of charge and is open to the public.

Through this occasion and powerful campaign, DOST-CALABARZON will be able to upsurge its efforts in bringing science closer to the people. We are expecting around 200 guests in the opening ceremony and thousands of various visitors who will flock to witness the 3-day S&T exhibit.

Our staff, Ms. Rochelle Cruz, will coordinate this request to your office. You may also reach her through (049) 536 5013 or dost4aprcru@gmail.com for further inquiries or concerns.

Hoping for your favorable response. Thank you.

Very truly yours,

*Handwritten signature of Alexander R. Madrigal*
