Dear Supt. Bautista:

Greetings from the officers and member of the Philippine Regional Language Center Scholars Foundation, Inc. (PhRELCSFI), the first recognized alumni association of SEAMEO-Regional Language Center, Singapore.

PhRELCSFI is an association propelled by the mission to provide professional development of school leaders, teachers, and educators in the workplace and to sustain quality education through efficient, effective and humanistic instruction in English, Filipino and other languages. This is with strong consideration of the critical functions of language proficiency in the performance of their roles as educators. It started as a organization of former grantees of scholarship at SEAMEO Regional Language Center (RELC) Singapore.

In order to benefit more language enthusiasts, membership in the organization has been extended to other professionals involved in teaching and managing programs in English, Filipino and other language in the Philippines.

This school year, PhRELCSFI will conduct its First International Conference on the Changing Landscape of Language Education with the theme "30 Years of Collaborating and Sharing Expertise and Practices on Teaching, Learning, Assessment and Research Across Cultures" on December 6-8, 2018 at the Manila Hotel.
