**Dr. Diosdado M. San Antonio**  
Regional Director  
Department of Education  
Region IV-A

Dear Director San Antonio,

We would like to thank you once again for the opportunity to partner with you for One Meralco Foundation's advocacy programs in education.

To update you, we began the retraining of teachers in the schools we energized through solar photovoltaic systems as part of our school electrification program's sustainability. Our objective is to refresh their knowledge on renewable energy, particularly solar, and enable them to conduct basic troubleshooting and maintenance procedures. We also plan to invite principals from these schools to discuss maintenance and sustainability of the program. The meeting will also be an opportunity to thank them for these many years of partnerships.

For your reference, attached is a list of schools we energized in your region. The event will be held at the Theater Lounge of the Manila Electric Company in Ortigas, Pasig City on November 16, 2018 at 09:00AM.

We hope that you would support this activity through a memo from your office encouraging the school heads to participate. One Meralco Foundation will provide for the meals of the participants and venue, we would like to request if the Department of Education through the regional office can shoulder the transportation and accommodation (if needed) of the participants.

We will coordinate with your staff regarding this matter. Should you have questions, you may contact Mr. Rainier R. Manguiat, Program Manager for School Electrification, through email at [rrmanguiat@meralco.com.ph](mailto:rrmanguiat@meralco.com.ph) or mobile at 0908-8980562.

Thank you very much!

Sincerely,

  
**JEFFREY O. TANYAO**  
President
