SUBJECT: REINFORCEMENT OF GROUP HANDWASHING WITH SOAP IN SCHOOLS

Date: November 19, 2018

Pursuant to DepEd Order number 10 series of 2016 entitled "Policy and Guidelines for the Comprehensive Water, Sanitation and Hygiene in School (Wins program) which aims to ensure correct knowledge and understanding among learners of effective hygiene and sanitation practices, the DepEd City Schools Division of Antipolo is mandating daily school group and individual handwashing with soap, and tooth-brushing activities of all learners in the division.

It is highly suggested that handwashing be done by the learners before and after recess and lunch, and after using the toilet. School group tooth-brushing should be done every after meal. All these activities will be done with the supervision of their teachers and/or child health promoters/student leaders of the school.
