

**ADVISORY NO. 166, S. 2018**

In compliance with DepEd Order No. 8, s. 2013

**This Advisory is issued not for endorsement per DO 28 s. 2001,  
but only for the information of DepEd Office,  
Public and Private Elementary Schools  
December 6, 2018**

**2018 NATIONAL CHILDREN'S SCIENCE INTERACTIVE WORKSHOP**

The Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippines Society of Science Clubs) Inc. or PSYSC is the first and largest science club umbrella organization in the Philippines. For so many years, PSYSC continues to develop a community geared towards scientific learning and innovation, while also emphasizing the roles of Science clubs in nation-building and promoting the thrust of the organization – the Public Understanding of Science, Technology and Environment (PUSTE).

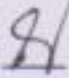

This year, PSYSC will be conducting the 2018 National Children's Science Interactive Workshop (NCSIW). The event will be held at Batis Aramin Resort and Hotel in Lucban, Quezon on December 16-19, 2018.

NCSIW 2018 will focus on fundamental concepts and breakthroughs in the field of Botany, the study of plant life, its structure and functions and its relationship with humans and the environment.

Interested schools may refer to the attached letter c/o MS. ROSALINDA ABER (PSYSC Administrative Officer) for your inquiries and concerns.

Participation of both public and private schools shall be subject to the **NO-DISRUPTION OF CLASSES POLICY** stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

For the information of the field.

@DJA-aedc., 2018

Dear Sir/Ma'am,

Greetings from the Science Clubbing Movement!

The **Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs) Inc.** or **PSYSC** is the first and largest science club umbrella organization in the Philippines. For 47 years, PSYSC remains to be the frontrunner of the Science Clubbing Movement in the country catering to elementary and secondary science clubbers and science club advisers. With this, PSYSC continues to develop a community geared towards scientific learning and innovation, while also emphasizing the roles of science clubs in nation-building and in promoting the thrust of the organization - the Public Understanding of Science, Technology, and Environment (PUSTE).

This year, PSYSC will be conducting the **2018 National Children's Science Interactive Workshop (NCSIW)**. The event will be held at **Batis Aramin Resort and Hotel in Lucban, Quezon on December 16-19, 2018**. NCSIW is a four-day activity for all elementary science club members and advisers from across the country. This event is one great opportunity for the participants to appreciate science, technology, and environment as they engage in different activities like lectures, workshops, educational trip, and different contests.

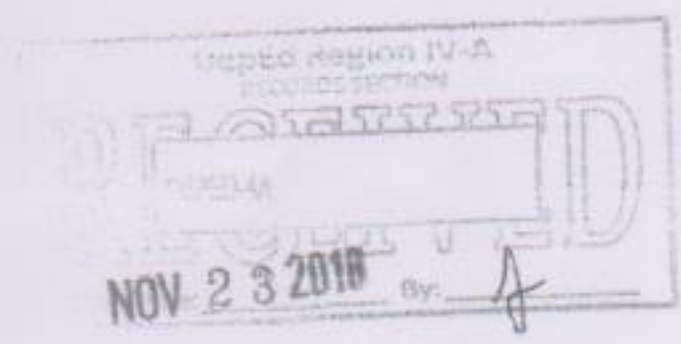

NCSIW 2018 will focus on fundamental concepts and breakthroughs in the field of **BOTANY**, the study of plant life, its structure and functions, and its relationship with humans and the environment. As an agricultural country, it is about time that we let the youth appreciate and learn more about this branch of science and hopefully inspire them to partake in its development. Hence, we would like to seek your provision by helping us in **disseminating this information through advisories and endorsements to schools in your region**. We have attached the materials needed for your reference.

We are hoping for your positive response. Should you have any questions, please do not hesitate to contact us through the contact information included in this letter and look for **Ms. Rosalinda Aber** (PSYSC Administrative Officer) or email us at [psyse.ncsiw2018@gmail.com](mailto:psyse.ncsiw2018@gmail.com). Please allow us to follow up on this matter.

Thank you very much and more power!

In the service of the Filipino Youth,

**Jhoycel Ann Ramirez**  
Secretariat Head, NCSIW 2018

**DR. DIOSDADO M. SAN ANTONIO**  
Regional Director  
Department of Education, Region IV-A CALABARZON  
Cainta Elementary School, Cainta, Rizal

Dear Dr. D.M. San Antonio,

Greetings!

I am writing regarding the ongoing initiatives of the Local Government Units (LGUs) specifically Provincial Governments of Region IV-A CALABARZON to adapt an Information and Communications Technology (ICT) blended pedagogy in response to the Fourth Industrial Revolution (FIRe) especially in the area of **"Digital Transformation of Educational System"**.

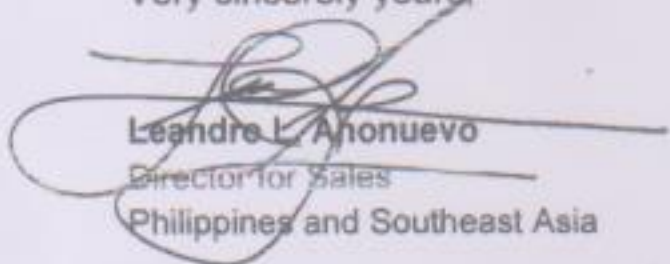

As a seasoned academician, innovative and technologically driven professional such as yourself, I'm a strong believer of technology driven teaching and learning system and I'm very sure that we share the same, reason why ***we would like to ask your support about the above mentioned project.***

Supporting this project means you are expected to assist/perform/observe the following;

- Issuing a formal letter of project endorsement to Local Government Units (LGUs),
- Releasing memo/announcements to Education units both in the public and private sector and other related agencies,
- Participation for meetings, events, conferences and other relevant activities in support of the mentioned initiative and,
- Involvement with various promotional related campaigns i.e. magazine/poster/newspaper photoshoots, radio and TV interviews and guesting.

Thank you very much and I hope for your favorable response about this humble request.

Very sincerely yours,

  
**Leandro L. Anonuevo**  
Director for Sales
