Dear Ma'am:

We, at the health care marketing, have been actively promoting one of our best selling products called the DIGITAL THERAPY MACHINE as an ongoing quest to help educate and raise consciousness among Filipinos to proper body physique by weight loss and massage therapy. Studies show that difficulty in managing one's weight may lead to either undernourishment or obesity, thus making a person unhealthy.

On top of that, this demand product is good for the treatment of arthritis, rheumatism, asthma, colds, fever and flu. It is a therapeutic massage for stroke patients. Not to mention, it is great for weight reducing, firming of sagging skin and toning of muscles.

This digital therapy machine is currently being used by most Physical Therapy Rehabilitation Clinics and famous fitness centers like Slimmer's World.

In line with this, we are seeking your approval for us to visit every school in the area of your constituents.

The reason for the visit is for us to conduct health awareness and product demonstration which will surely benefit everyone who will participate.

Your written approval will help us gain permission to enter each school that we will visit.

We hope for your kind consideration regarding this humble request.

Sincerely,
