Dear Sir:

We would like to follow-up on your approval for the request submitted in your office dated December 3, 2018 to allow our organization and volunteer eye doctors to conduct vision screenings under the "SIGHT FOR KIDS" project in the following public schools. The program grants **FREE** prescription glasses to the students that need them.

1. Bagong Nayon 2 National HS
2. Bagong Nayon 2 Elementary School
3. Bagong Nayon 4 Elementary School

Due to the early Christmas break of the schools, we were unable to proceed with the screening as requested last December. However, upon consultation with the corresponding school principals, we are planning to proceed with the project this coming January 21 to 24, 2019 (subject to the availability of our eye doctors and the students).

We hope to receive a positive response with regard our request. Moreover, we understand that we shall make efforts not to disrupt classes or the schedule of the schools and their students.

Please contact the undersigned through mobile number 0917-8120538 or email maylyn.enriquez@gmail.com. Thank you for your undying support to our advocacy.

Sincerely yours,
