Dear Dir. Areola,

Greetings from Parents Advocate for Visually Impaired Children, Inc. (PAVIC)!

It is a pleasure to write you in behalf of PAVIC, as advocates for a bright future for our children with visual impairment. Over the years PAVIC has made tremendous strides in the education of our children and raising awareness about the great ways that children with disabilities can participate in society, and one way is engaging these children in sports activities.

On March 8, 2019, PAVIC will be hosting its 11th VISTA with a theme "Level Up @ 11". This multi-sport event, involving athletes with a range of physical disabilities, mostly children with visual impairment will be held at the Marikina Sports Complex from 5am-4pm. This event includes running, swimming, goal ball, show down, standing long jump, shot put, chess, and indoor games. We anticipate at least 700 participants will be present, including 350 visually impaired children from different schools in Metro Manila and Regions I, II, III, Region IVA and Region V along with their parents, guests from local government offices and media representatives. The event will be an important opportunity for people to see what children with visual impairment can achieve in Sports activities.

In line with this activity, we seek the support of the Department of Education by allowing the children with visual impairment and their SPED teachers to participate in said event on March 8, 2019, Friday, and on January 12, 2019, for the VISTA Orientation to be held in Polytechnic University of the Philippines, College of Human Kinetics in Sta. Mesa, Manila, from 8am to 11am. The PUP Physical Education Graduate School and Undergraduates will be partnering with us as Game Officials.

Gen. Ely Dela Paz and Mr. Roden Torres are available to answer further questions you might have about this exciting event. You may email Gen. Eliseo Dela Paz at ely_delapaz@yahoo.com contact no. 0918-9054133 and Mr. Torres at rodentorres1@gmail.com contact no 0917-2457618. Our office number is (02) 7271301.

We are looking forward to discuss further the above-activity and partnership with you.

Very truly yours,

Noted by:
