7TH MATHEMATICS QUIZ BEE

The **Fatima Mathematics Society (FMS)** will celebrate its annual Mathematics Week this coming February 26-28, 2019 with the theme: **MATHEMATICAL PROBABILITIES MAXIMIZE POSSIBILITIES**. In line with this, the organization will be conducting the **7th Mathematics Quiz Bee** on **February 26, 2019, 7:30 AM – 1:00 PM** at **Juliet Santos Building (JSB), Audio-Visual Room, OLFU, Antipolo Campus**.

The competition aims to showcase the Mathematical skills of **Grade 10** students and develop the spirit of competition and fairness.

Participating students must secure parent's permit and should adhere on **Time- on-Task Policy** stipulated in DepEd Order No. 9, s. 2005.

Attached herewith is the letter from **MS. SHERRYL MANAGO**, FMS Adviser and the mechanics/ guidelines of the competition for your reference.

Greetings of peace!

The Fatima Mathematics Society (FMS), a duly recognized academic-based organization of Our Lady of Fatima University will celebrate its annual Mathematics Week this coming February 26–28, 2019 with the theme **MATHEMATICAL PROBABILITIES MAXIMIZE POSSIBILITIES.**

During the aforementioned event, we will be having our 7th Mathematics Quiz Bee in which all schools in public and private are invited to join. The competition will be held on **February 26, 2019 (7:30 AM-1:00 PM)** at the Juliet Santos Bldg. (JSB) Audio-Visual Room, OLFU, Antipolo Campus, and open to all Grade 10 Junior High School students. The competition aims to showcase the Mathematical skills of Grade 10 students and develop the spirit of competition and fairness.

In line with this, we would like to request from your good office for the formality of this event and for the authentication of the invitation letters for all the neighboring schools here in Antipolo.

Thank you and God bless you more!

The School Administrator/Principal

Dear Sir/Madam:

Greetings of peace!

The Fatima Mathematics Society (FMS) is a duly recognized academic-based organization of Our Lady of Fatima University. The Society aims to develop students' mastery and enthusiasm in the field of Mathematics. The FMS organization together with the Mathematics and Physics Department will be celebrating its annual Mathematics Week this coming February , 26-27, and 28, 2019 with the theme **MATHEMATICAL PROBABILITIES MAXIMIZE POSSIBILITIES.**

In line with the celebration of the aforementioned event, we are pleased to invite your school to participate in the 7th Mathematics Quiz Bee to be held on **February 26, 2019 (7:30 AM-1:00 PM)** at the Juliet Santos Building (JSB) Audio-Visual Room, OLFU, Antipolo Campus. The Quiz Bee is open to grade 10 students from neighboring schools in RIZAL.

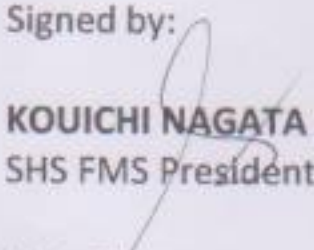

The contest aims to showcase the Mathematical skills of Grade 10 students and develop the spirit of competition and fairness.

Should your school be interested to join the competition, attached herewith the mechanics and registration form for your convenience.

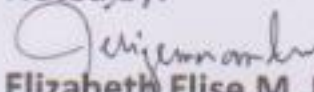

We are looking forward to your school's participation in our organization's commitment to promote academic excellence in the field of Mathematics

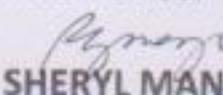

Thank you and may God bless you more!

General Guidelines

1. The quiz bee is open to grade 10 students.
2. Each school may send a maximum of two (2) teams. Each team is composed of two students of any gender combination (male-male, female-female or female-male).
3. Participating schools must pre-register by sending their registration forms by e-mail, fax or hand-carry on or before **February 16, 2019**.
4. On the contest proper, registration is from 8:00-8:30 am. Only registered teams will be allowed to join.

Quiz Bee Proper

1. The topics shall cover the following:
 - a. Elementary Algebra,
 - b. Intermediate Algebra,
 - c. Trigonometry,
 - d. Basic Statistics and Probability, and
 - e. Geometry
2. All participating teams will be given a chalk, board, and scratch paper. The quiz bee will have three rounds.

Round	No. of Items	Point System	Time Limit
Easy	10	1 point	10 seconds
Average	7	3 points	20 seconds
Difficult	5	5 points	30 seconds

3. The usage of calculator is prohibited.
4. The score from the three rounds will be tallied to determine the first, second, and third place winners.
5. In case of tie, clincher questions will be administered.

Clarifications

Clarifications on the question can only be raised by the coaches to the panel of judges. The head of the panel has the sole right to pronounce a question void. No questions or clarifications will be entertained after posting the next question or replacement of it.

Prize

All participants and coaches will be awarded with certificates. Winning teams, coaches, and school will be awarded with medals, plaques, and cash prize respectively.
