Dear Dr. Bautista:

Greetings from AiTECH - a City of Antipolo owned and managed educational institution!

We are a CHED-registered Higher Education Institution operating as a Professional Institution and we offer only one program which is the Bachelor of Science in Construction Engineering (BSConE). Our 8-hectare campus is located in Sitio Cabading, Barangay San Jose, Antipolo City.

We would like to offer full scholarships to the March 2019 graduates of your Senior High School program from any Track/Strand who are interested to pursue a new career in Construction Engineering. We are accepting only one hundred fifty students (150) for the 1st Year Level in AY 2019-2020 that starts in August 2019. We would be happy to reserve a few scholarship slots for your graduates.

Please email me directly at linda@pefianco.com or text your message to Ms. Jessy Lacap at 0915-914-4689 so we shall arrange a special open house at AiTECH for a group of students who may be interested to accept our offer. Enclosed is a brochure for your easy reference.
