Dear Sir:

Child Evangelism Fellowship* Philippines, Inc. (CEF) has been actively conducting Elementary and High School Values Education Classes (EHSVEC) in public and private schools all over the country for FREE in response and support to the government’s call to teach moral values in all public and private schools throughout the country.

This program was designed to help children focused their lives on developing the right attitude on anger, self-control, fear or faith, selfishness or generosity, pride or humility, practicing love in the family, helping one another and others. In order to conduct EHSVEC in schools, we would only need a 30 minutes, once-a-week teaching at the convenience of the school and the pupils. We at CEF* firmly believe that these values will greatly influence and shape the children’s character enabling them to be successful, God fearing individuals someday. In view of the above, may we request the approval of your good office to allow Child Evangelism Fellowship* to conduct EHSVEC in all schools under your jurisdiction?

Thank you for your positive response to our request. We believe that the schools and the non-government organizations working hand and hand would be able to successfully bring about the formation values and character that would define the future generation of the Filipino people for today’s children are tomorrow’s.

May the Lord bless you and keep you.

Respectfully yours,

Yoradyl R. Bautista
