4. DM 108 s. 2016 – Preparedness Measures for the Rainy Season

All schools are encouraged to involve the students, their families and communities in preparing for disasters, for this is an effective method of raising their awareness and action about risk education. School DRRM coordinators should maintain an open communication with school officials for any needed assistance. Immediate coordination and reporting of any untoward incident should be observed to provide timely and necessary support.

For information, guidance and strict compliance.
